A list of ingredients used in this feed may be obtained from the manufacturer or registrant.

**DIRECTIONS FOR USE:**

1. Designed to be fed to sheep and lambs at up to 1 kg (2.2 lbs) per head per day. Feed along with good quality pasture or hay. Ensure that fresh, clean water is always available. Do not feed in association with another feed or mineral containing added copper, since sheep are very sensitive to copper at levels that are not a concern for other species.

Ⓢ4B CAUTION:

Ⓢ0B 1. Directions for use must be carefully followed. Les instructions d'utilisation doivent être soigneusement suivies.

2. Do not use this feed in association with another feed containing supplemental selenium.-- N'utilisez pas cet aliment en association avec un autre aliment contenant du sélénium supplémentaire

Individual results from the use of this product may vary due to management, environment, genetic, health and sanitation differences, therefore, Buckerfield's does not warrant or guarantee individual results.
